protect you from the sun; give you perfect ventilation—through the patented Ventilator woven at the top of every Vudor Shade—the ONLY Shade made with a Ventilator—and give you as much or as little seclusion as you may want.

The New VUDOR Self-Hanging Device

enables you unassisted to hang a shade in a few minutes without making a single measurement; no screws, screw driver or boring tool used—nothing needed but a hammer. You can unhook the shade in less than one minute to store it away for the winter, and hook it up again in the spring instantly. This keeps it clean when not in use and also doubles its life.

We have VUDORS in the best selling colors and all sizes. They are the most effective, durable Shade made. They last for many years, and the cost per year of service is very moderate. Come in and see them.

ADMIRATION

for pretty teeth is universal, and any face, no matter how beautiful, is marred by imperfect and decaying teeth. There is no necessity for despoiling your beauty by unsightly teeth, when a good dentist can make them look perfect.

Where natural teeth are lost, I make a specialty of replacing them by means of artificial teeth or crown and bridge work.

Impressions taken in most modern way, doing away with use of plaster.

My prices are popular and terms favorable.

Teeth extracted by the famous Fischer Method, local or conductive anesthesia, no pain.

Take a simple thing like a dozen eggs

You pick up your telephone and tell us you want a dozen eggs.

That's all we ask you to do.

Then think what we do.

We buy the eggs—which takes considerable knowledge of eggs—and we hold them for you.

We deliver them to you. We guarantee every egg to be perfect when it arrives at your door. We don't ask you to pay for them until you receive your bill at the end of the month.

It's the same with every purchase you make.

And we are mighty glad to perform these services for you, because we know you appreciate them and in return for them you make a regular practice of buying eggs and other things at our store.

You like to deal with us because you feel that we are doing everything we can to make your buying pleasant and profitable. You feel that we are honestly trying to serve you, and you have faith in us.

So that when we tell you about new things from time to time, you take our word as a matter of course.

Because of this faith you have in us, you can readily see how careful we must be that the things we recommend are good. We have no fear, however, in recommending RYZON Baking Powder.

It's a pure baking powder—efficient, economical and always uniform. And it's fairly priced, 40 cents per pound.

Ask us about other new and good things.

HEADACHES AND SLEEPLESSNESS ARE CORRECTED

Vermont Woman Recommends Dr. Williams' Pink Pills as Blood Builder.

No person can remain in good health without sleep, yet there are thousands of people who are forced to exist on only a few hours' sleep that is broken and often unrefreshing because of weak nerves, stomach distress and headaches. There is a limit beyond which they cannot go without a complete nervous breakdown and a rapid decline in health. The cause of this condition is generally weak blood and a treatment which will increase the quantity and improve the quality of the blood will usually restore the body so that normal, strengthening sleep is possible.

An excellent example of the value of a tonic in cases of this kind is the experience of Mrs. Edward Mayo, of No. 57 Cedar street, St. Albans, Vt. She says:

"I was all tired out and very nervous. I couldn't sleep well and what sleep I got didn't seem to refresh me. As a result each morning I seemed a little more exhausted than the day before. I also had severe headaches and my stomach was disordered. I decided to give Dr. Williams' Pink Pills a trial and procured a box. In a short time my appetite improved and my nerves gained strength. I continued the treatment until I was able to sleep well. I can strongly recommend Dr. Williams' Pink Pills for they helped me greatly."

Dr. Williams' Pink Pills are sold by all druggists, or direct from the Dr. Williams Medicine Co., Schenectady, N. Y., at 50 cents per box, six boxes for \$2.50, postpaid, on receipt of price. Write for the free booklets on nervous disorders and diet.—Adv.
